

# Parents not enough time in the day and tired of making lunches for your kids? Brilliant Child Christian Academy students have the option to order hot lunch daily!!!

Hello my name is Aron Carpenter and I am so grateful for the partnership Brilliant Child Christian Academy has made with us. I have three children in school and we worry daily on what to feed them. The only thing that could make our lives easier is to have a hot lunch option for our children, instead of having to pack a cold lunch each day. Let's get the children away from lunchables and peanut butter and jelly sandwiches

**Mister Lunch 702** is offering an option for the students that will save you TIME and STRESS! We are NOT affiliated with the school in any way. We are only offering an opportunity for parents to lighten your load! Those that feel packing a school lunch every day is a daunting task may want to take advantage of this opportunity. Let **US** take this load from you!

Lunches will be available for purchase every school day, Monday-Friday, or if there is a school activity that includes lunch. Below are some of the meals that **WILL BE MADE FRESH DAILY**. All meals will include a fresh fruit and choice of cookie or fruit snack. We are mindful of food allergies and is peanut free.

Pricing: \$7.00 per meal

Meals will be on a rotation so they won't be repeated in the same week, and a calendar will be made available monthly. You will have the option to pay with Venmo, Apple Pay and Zelle only. Christyn and staff will not be able to answer any questions regarding food, all questions and concerns please contact me.

If you are not going to use this program on a daily basis, your orders will need to be emailed no later than 9:00 a.m. the day of to guarantee your student's order. If you want to use this program on a daily basis, paying for meals in advance is also an option. You can purchase 2 weeks to a month in advance, and an email will be sent to you when your cash balance is getting low. Just like any other establishment you will need to pay before the meal is delivered.
