G2065	Comprehensive care management for a single high-risk disease services, e.g. principal care management, <b>at least 30 minutes of clinical staff time directed by a physician or other qualified health care professional, per calendar month</b> with the following elements: one complex chronic condition lasting at least 3 months, which is the focus of the care plan, the condition is of sufficient severity to place patient at risk of hospitalization or have been cause of a recent hospitalization, the condition requires development or revision of disease-specific care plan, the condition requires frequent adjustments in the medication regimen, and/or the management of the condition is unusually complex due to comorbidities	\$40	\$40	0.61 1.1

Health economic and reimbursement information provided by **Wellness Strategic Partners** is gathered from third-party sources and published CMS and Medicare Administrative Contractor sources. This information is subject to change without notice as a result of complex and frequently changing laws, regulations, rules, and policies. This information is presented for illustrative purposes only and does not constitute reimbursement or legal advice.

Payer policies and actual fees will vary by Medicare Administrative Contractor (MAC) and should be verified prior to procedure and or service for limitations on diagnosis, coding, or site of service requirements. The coding options listed within this guide are commonly used codes and are not intended to be an all-inclusive list. **WSP** recommends consulting your relevant manuals for appropriate coding options.

For a complete and current Physician Fee Schedule and Clinic reimbursement analysis for your local Medicare Administrative Contractor area, contact your **WSP** representative.
